"The Way We Were"

Remember when we all first met?
It was way back in grade school,
the girls in their pretty pastel dresses,
the guys in their cotton slacks, white shirts,
pullover sweaters and wingtips.
Remember the way we were?

Remember everybody with their individual lunch boxes,
running to the cafeteria.
Remember, you had to eat all your vegetables,
or the teacher would spank you?
Remember way back then and the way we were?

We used to all look forward to recess.
We used to play kickball, the girls against the guys,
with the guys always victorious.
Remember how we acted and the way we were?

Then we started growing, the girls much faster than the guys.
Remember, they could eat off the tops of the boys' heads.
It was so funny then; the girls were superior to the guys.
Can you imagine?
Well, it was true, that's the way we were.

But then things started changing, and before we knew it,
we were all separated. During junior high school,
all of us were still friends, but by being separated,
we referred to each other as arch rivals.
Remember the way we were?

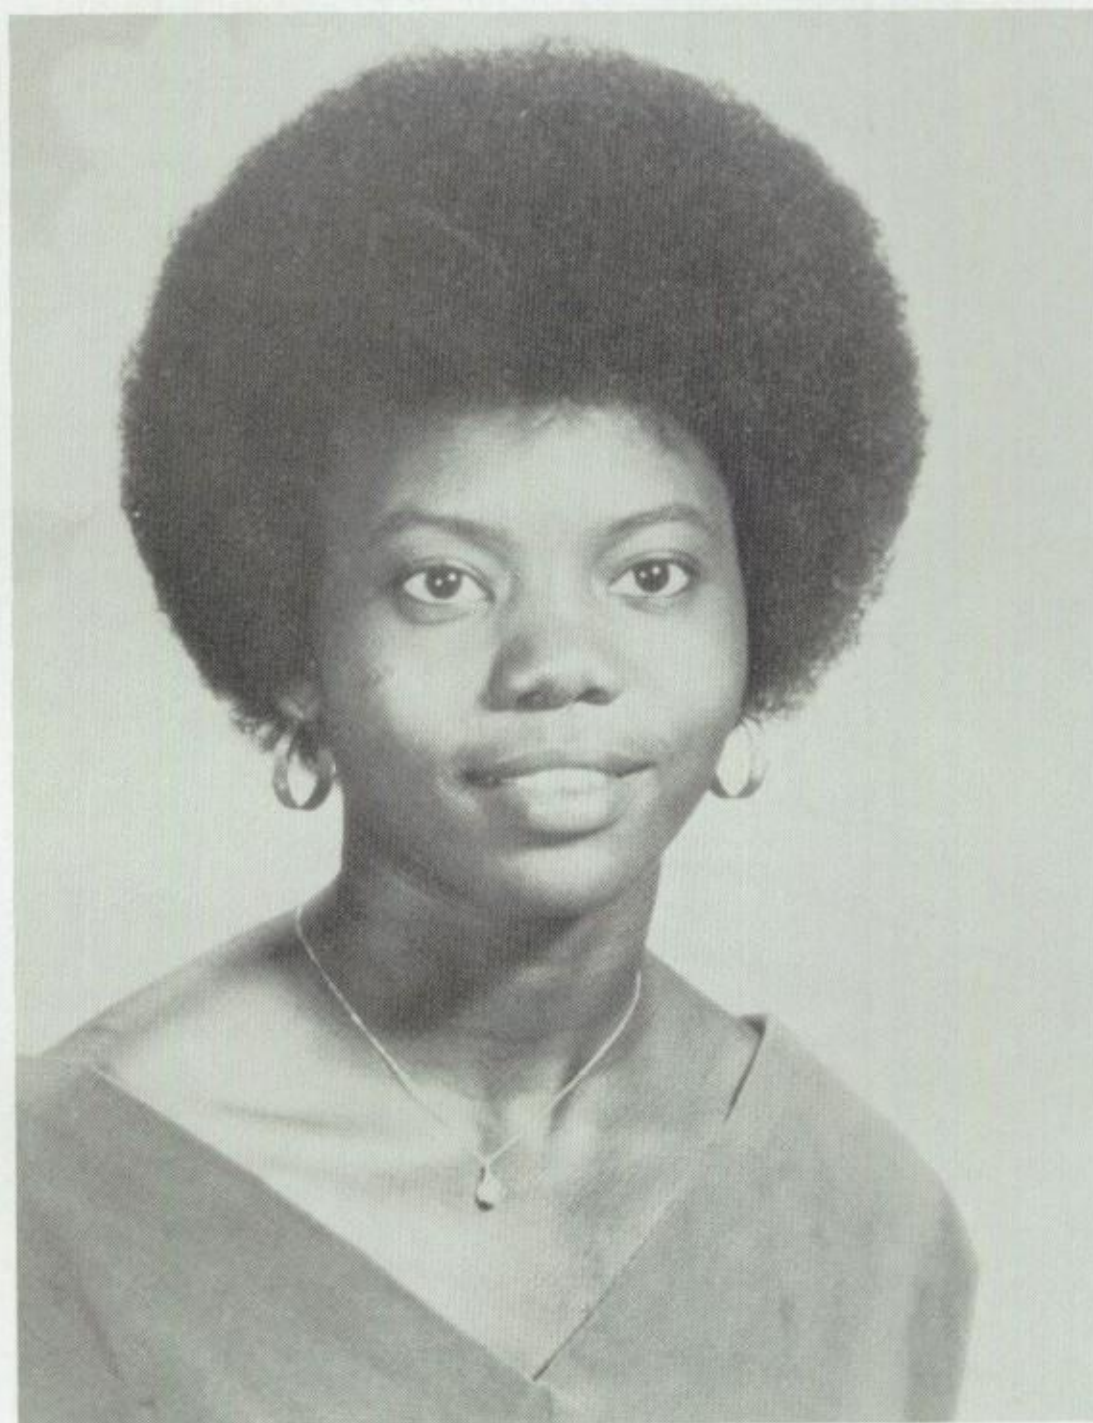

We'll never forget the happiness of our reunion,
not as grade school or junior high students
but this time as E. E. Smith Senior High School students.
As sophomores, we were all looked down upon, but who—
we paid it no mind and continued to do our thing.
As juniors, it was fun, too, for we were in the middle
and carried an awful lot of the weight.
But then it came!! Look out!!
As seniors, we'll never forget how we stepped in the gym
on the first day of school and politely took the "Senior Section."
We, too, will never forget how we led the pep rallies,
stepped in on days of assemblies, marched on Awards Day,
and how our parents were so proud.
Then came the Baccalaureate and Commencement.
It was fun yet sad to think that we'd reached the end.
There would be no more days of coming in the gym
on the first day of school. Some of us will never meet again.
We've got higher goals to attain and longer roads to travel.

But as they say,
"Every good thing must come to an end" and
"Every ending has to have had a beginning."
The Class of Nineteen Hundred and Seventy-Six shall never forget:

"The Way We Were"

Julia McKinney

***THE 1976 EDITION OF THE SMITHSONIAN IS
PROUDLY DEDICATED TO
Miss Jacqueline L. Lennon***

Upon graduation from Fayetteville State University in May of 1973, Miss Jacqueline Lennon joined the E.E. Smith family in the fall of the same year. She is presently serving as Varsity and Junior Varsity cheerleading sponsor, and Volleyball coach. In addition, she is the DECA Co-ordinator and the Marketing teacher.

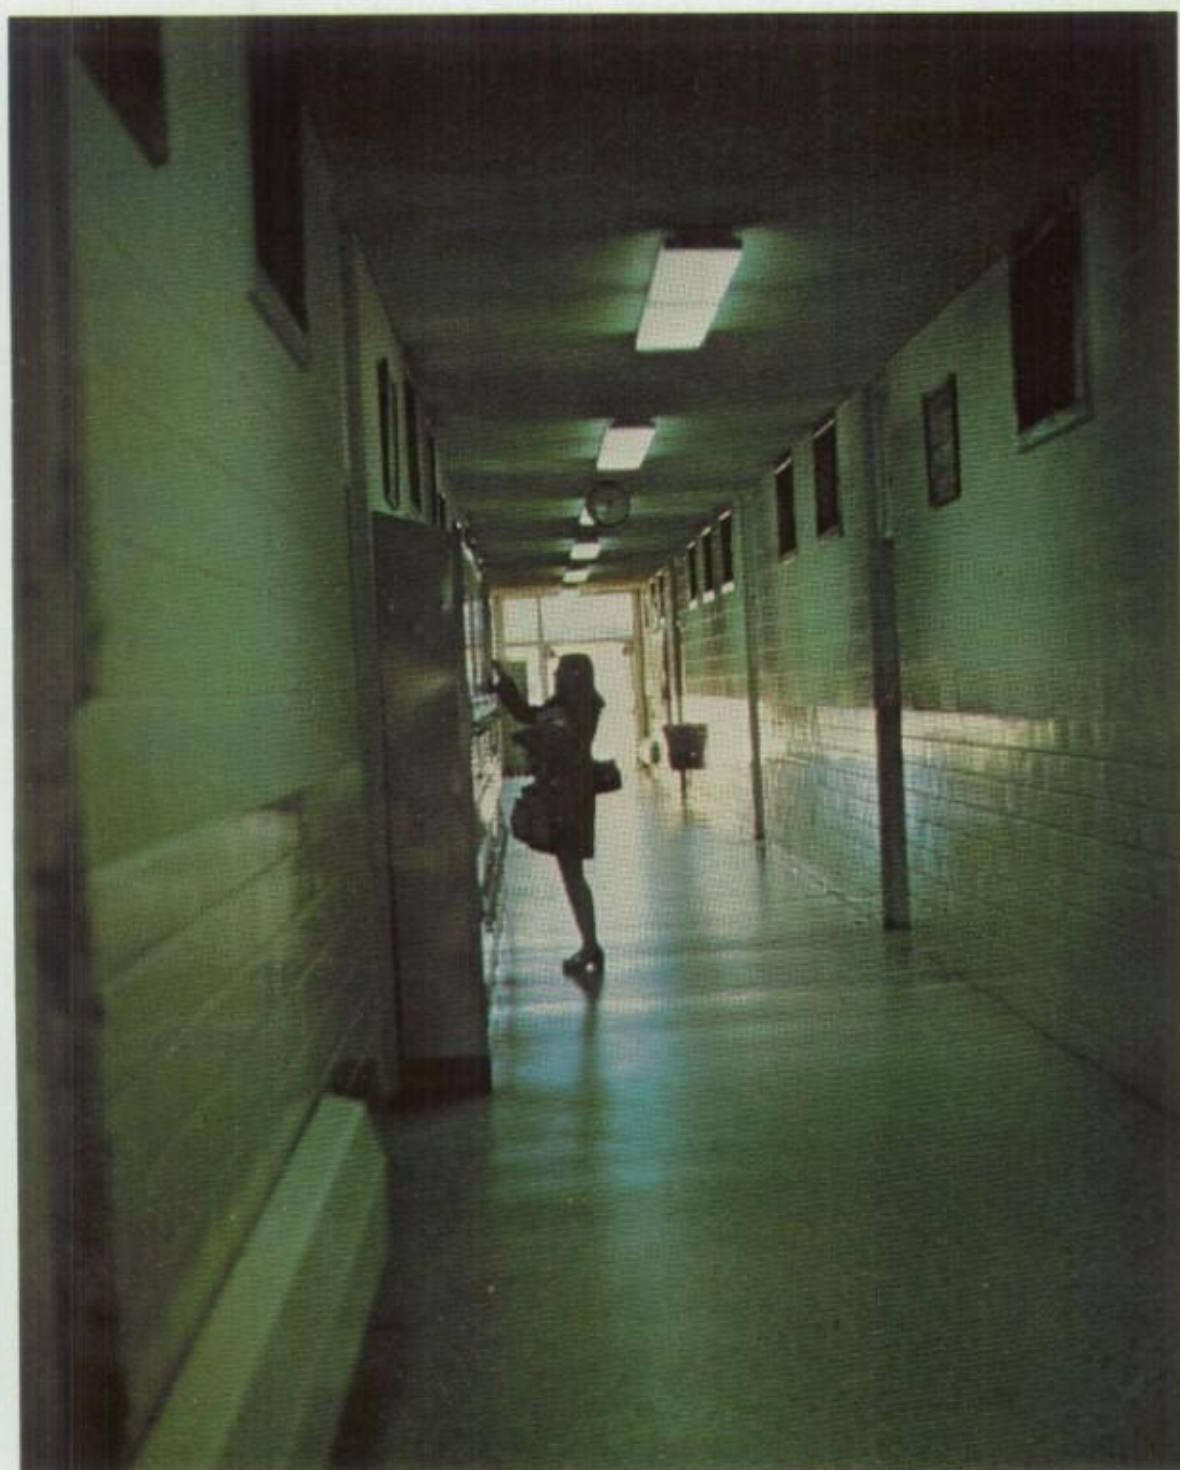

Due to the unselfish and devoted time you have spent with the members of the Smith family, we, the Class of 1976, as a token of our appreciation, encourage you to "keep on keeping on" as we proudly dedicate this yearbook to you.

In keeping with our positions as students, and yours as teacher, the class of 1976 simply chooses to say . . .

. . . We Love You

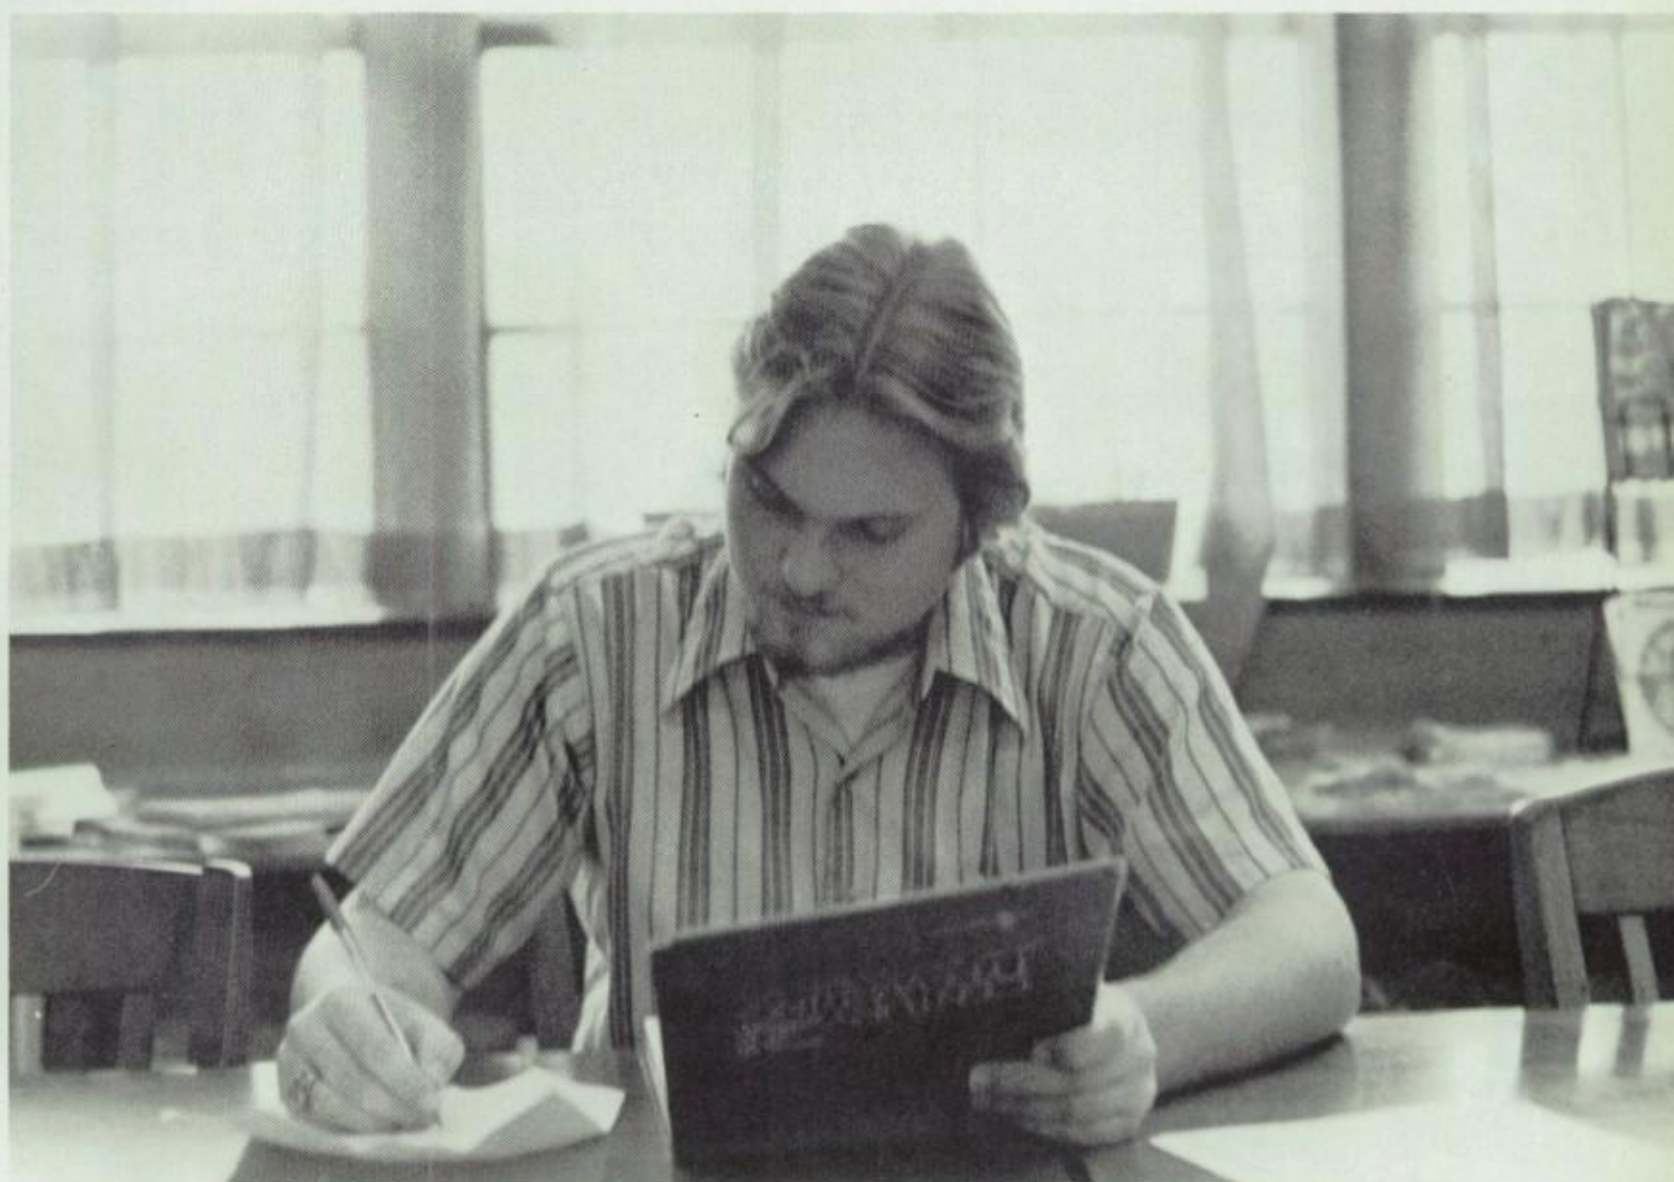

The Way We Were

*Man's nature fits him for great efforts,
and anyone who is diligent and resolute
will get through an incredible amount of work.*
—Francesco Guicciardini

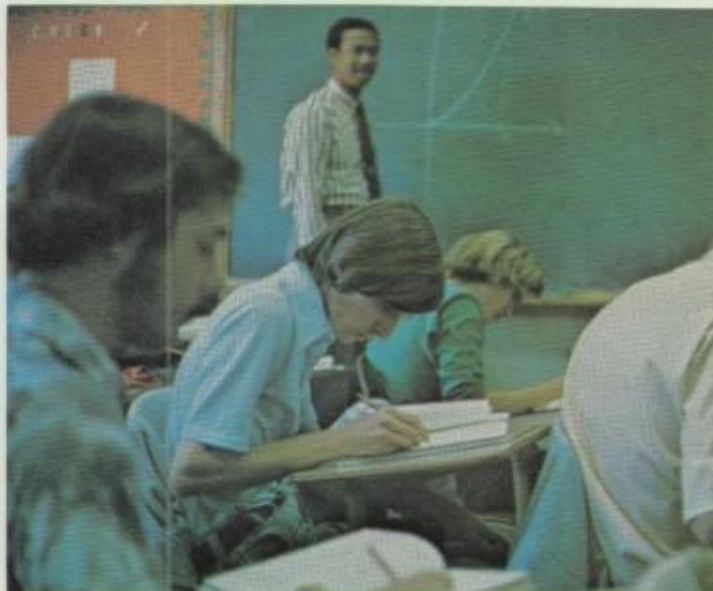

*Sometimes we laughed, and
Sometimes we cried
Still somehow our feelings never
died.*

*We wished on dreams,
Found life wasn't always what it
seemed
Found our work had only begun*

*When we thought we'd just gotten
done,
Built on to our world day by day
Never letting it fade away*

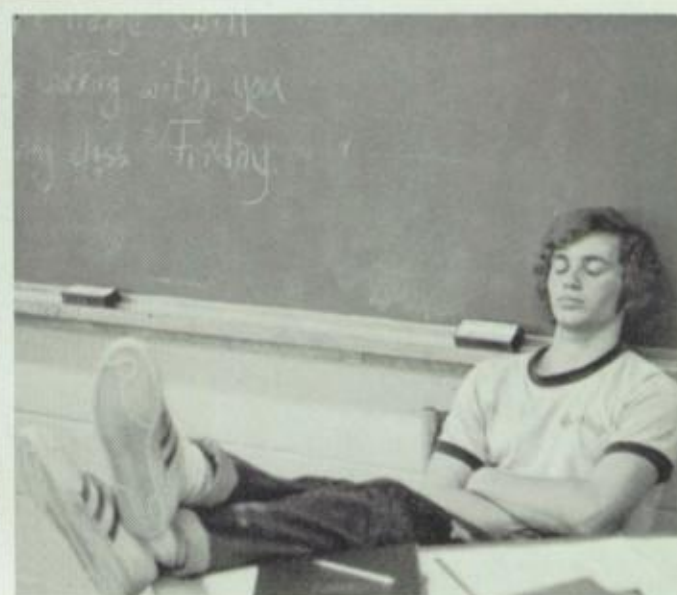

*Cause we knew we'd soon have to
stand alone,
Though once bonded we'd be out
on our own;
The Way We Were
Denise Curtis '76*

*Expressions encountered everyday
Invariably bring reactions
Shown by expressions;
Deep concentration,
Boredom, a smile,
A wrinkled nose.*

OUTSTANDING

My name is Mark Anderson. I have attended Smith for three years and have truly enjoyed it.

During my three years at Smith I have been a member of the baseball team, the marching band, and FCCYC, of which I am now a voting member.

As a sophomore I was a student council representative and am presently president of homeroom 12-3. During my junior year I was a marshal and now serve as Vice-President of the Honor Society.

As a senior I was a member of our cross-country team and am presently serving as the first president of our newly formed Key Club. I am applying for a NROTC scholarship and plan to attend the University of North Carolina at Chapel Hill.

Mark Anderson

In my sophomore year I served as captain of the J.V. Cheering Squad.

I made the squad my junior year and served as co-captain my senior year. I worked as co-chairman of the junior-senior prom. I was elected secretary of the student council 74-75. I also received the Service Award my junior year.

As a senior I served as Vice-President of the class. My zodiac sign is Leo.

I enjoy playing the guitar and singing.

Pattie J. Griffin

SENIORS

My years at Smith have been enjoyable in many ways. During the three years of my high school career I have ventured into many activities that have enhanced student life. My work with the Student Council and acting as Junior Class Parliamentarian has been rewarding. Sports have been meaningful and have made bearings on my life in terms of the future. Hopefully I will continue to pursue basketball and football in college, because I have enjoyed participating and playing in high school. Being an Aries, I like people and really enjoy being around them. I hope to become a business man or, true to my sports-like nature, pursue a career in coaching.

Lee Jukes

As many Smithites know, my favorite school activity is supporting the Golden Bulls through cheerleading. I'm the captain this year and find this a rather difficult but enjoyable job. I'm going to run hurdles with the Girl's Track Team again this year. During Homecoming Week, I served as the Miss Homecoming representative from my homeroom, 12-35. I'm a member of the French Club, Tri-Hi-Y, and National Honor Society. I serve as copy editor and a member of the clubs committee for the yearbook staff. I'm also a member of the Fayetteville Cumberland County Youth Council and am District Chairman for E. E. Smith. As for the future, I plan to attend UNC at Chapel Hill in the fall and, hopefully, to major in Early Childhood Education.

Leigh Ann Shumate

My name is Julia McKinney. My hobbies include: singing, dancing, and participating in all Women's Sports.

I have been a very active participant in many activities, both in and outside of E. E. Smith Sr. High School. Some of my school activities include: Student Council, French Club, Distribute Education Club, and all women's competitive athletics, as well as intramural sports.

I hope to attend Virginia State College in Petersburg, Virginia. I plan to major in Secondary Education and minor in Journalism.

I have thoroughly enjoyed my 3 years at E. E. Smith Senior High School and consider it a high honor to have been selected as an Outstanding Senior.

Julia McKinney

My years at E. E. Smith have been extremely productive. I have enjoyed the competitiveness of varsity football and track. Special thanks go to Coach Carver who helped me develop from my sophomore year. Academically, I am thankful for the excellent teachers whose help enabled me to achieve the success that is manifested in my pursuit of the Morehead Scholarship. The establishment of the Key Club has occupied much of my Senior Year and I hope the underclassmen will continue the work that was started. As a farewell statement, I would like to extend a sincere expression of gratitude to my close friends who granted me the respect and confidence necessary in achieving success. To "The Boys" thanks for everything. If I am outstanding, these people deserve the congratulations.

Kenneth F. Connor

I have enjoyed being active in school affairs for the past three years. I am a member of the Tri-Hi-Y and the French club. I am pleased to be the president of the National Honor Society Chapter at Smith. I enjoy sports and participate on the girls' track team.

Following high school, I will attend college for four years to receive a Bachelor's degree. I hope to go to law school after college to become a tax or labor lawyer.

Karyl Pitzer

My name is Dyfird Alexander Harris. I was born February 27, 1958 and I am a Pisces. My hobbies are swimming, bowling, skating, basketball, and most any sport. I am President of the Student Body and served as President of the Sophomore class. My greatest achievements in high school have been in Student Government. I am a member of the Honor Society and served as a Marshal for the Class of '75. I have maintained an A average in school.

After high school I plan to attend college and pursue a career in medicine.

Dyfird Harris

I love to be around puppies, they're constantly yearning for attention and love, rumbling around discovering and checking things out. They have no negative attitude or real hate, always full of life and ready to give love to "anything" or "anyone", what we as humans strive for.

My future plans are to attend Hampton Institute where I will pursue my favorite pastime, communicating and working with people.

Because I have been involved with many activities while at E. E. Smith my attitude toward Smith has changed considerably. I have seen all of its sides. I am grateful to the school family for helping me to grow and can say to those who follow me: "Your life is what you make it, make it worthwhile always with your head to the sky".

Elizbeth Denise Curtis

I am honored to have been chosen as one of the outstanding seniors. I am also very proud to be a member of the Cross Country, Track, and Wrestling team. My favorite hobby is just to have fun and education at anything I do. My intended goal in the future is to major in medical science and/or oceanography.

Ken Wei Wright

During my tenure at E. E. Smith I have been involved in numerous activities and have enjoyed many joyous moments. I would also have to say that being chosen as an Outstanding Senior would have to be an honor that I will always cherish.

After graduation, I would like to attend NCCU or UNC-Chapel Hill and major in Political Science.

I am hoping that my future is as exciting as my high school days have been, and I wish all of my classmates and underclassmen the best of luck in the future.

Charles Penny

While at E. E. Smith, I was secretary of my sophomore class, and treasurer of my junior and senior classes.

I have been very active at E. E. Smith. My activities have included: Volleyball Co-Captain, Sr. Yr.; All Conference Volleyball Team; Girl's Varsity Basketball Team for three years; Softball Team, as manager, for two years; flag bearer for two years; President of the Spanish Club my junior year; and on the intramural program.

My future plans are to go to college and major in Physical Education, and minor in Biology.

Marilia Carrion

While at E. E. Smith I have taken an interest in where our school, community, and fellow students were going. In pursuing this interest I have been a member of the Student Council, served as parliamentarian of my sophomore class, lettered twice in Cross-Country, played Varsity Tennis, was a member of the Newspaper Staff, a member of the Fayetteville-Cumberland County Youth Council, and this year serving as President of FCCYC.

I have been recognized by the community for attending a Presidential Classroom For Young Americans, winning the Sophomore Citizenship Award, and the Sons of the American Revolution Medal.

In the fall I plan to attend North Carolina Central University, and major in Political Science with a minor concentration in Criminal Justice. Upon graduation from college, I plan to work in Corrections, and Social Reform.

Thomas F. Hooper III

A person very special to me, Susan Worth, helped my High School Education a great deal. By showing me the true meaning of friendship, she opened the door to countless acquaintances and associations that have made the past two years most enjoyable.

I hope to continue my education at an ACC School, and finish with Professional School, preferably law.

With the help of everyone involved, I have found that my two years at Smith have been very memorable and extremely profitable.

Michael J. Morketter

As a student here at E. E. Smith, I, Renita McGhee, have gained a lot from my learning experiences along with my extra curricular activities.

As a sophomore I was a majorette, a Student Council Representative, a member of the Golden Bull Club, a participant in intramurals, and an office assistant. I also had the esteem honor of being crowned Miss Sophomore.

As a junior, I was one of the Chairmen of the Prom Committee, a Deca Club member, intramurals participant, office assistant, and a majorette.

As a senior I was President of the Art Club, a Student Council Representative, Varsity Volleyball Team, School Choir Office Assistant, and Head Majorette. I had the overwhelming joy of being crowned Miss E. E. Smith.

Upon graduating I plan to attend East Carolina University as an Art Major.

Renita McGhee

I really enjoy working with the Student Council, of which I am Secretary. I am a member of the National Honor Society and Secretary of the French Club.

I would like to attend Campbell College, where I plan to major in Home Economics. In my spare time, I enjoy sewing, reading, and baking desserts.

Marilyn Crumpler

My years at E. E. Smith have been very rewarding in more ways than one. I have received numerous awards and held many offices in different organizations. Some of these organizations are these: Student Council, which has helped me in the area of government; Human Relations Team, which has helped me better understand myself and others; FHA, which has helped me become more involved with people. Being a majorette has also been a part of my active school career, which I enjoy very much.

In my spare time I like to walk and take in all of nature's beauty. Meeting new people is always an exciting thing to me as well as enjoying the company of my other friends. I also look forward to doing a weekly radio program on W.I.D.U.

Being a Capricorn, I like to be natural, understanding, considerate of others, dependable and respectful.

For the oncoming future I plan to attend Howard University, where I would like to study medicine, and Communications.

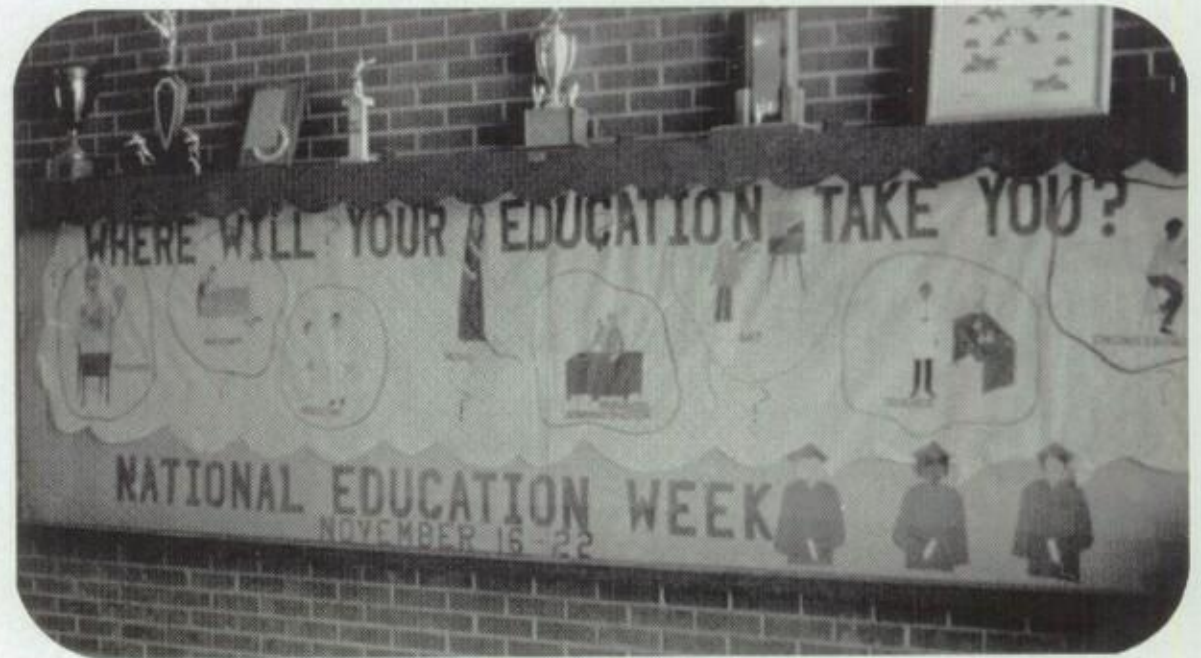

Erica Milligan

PRESEASON PREPARATION

Bulls Welcome Pinecrest

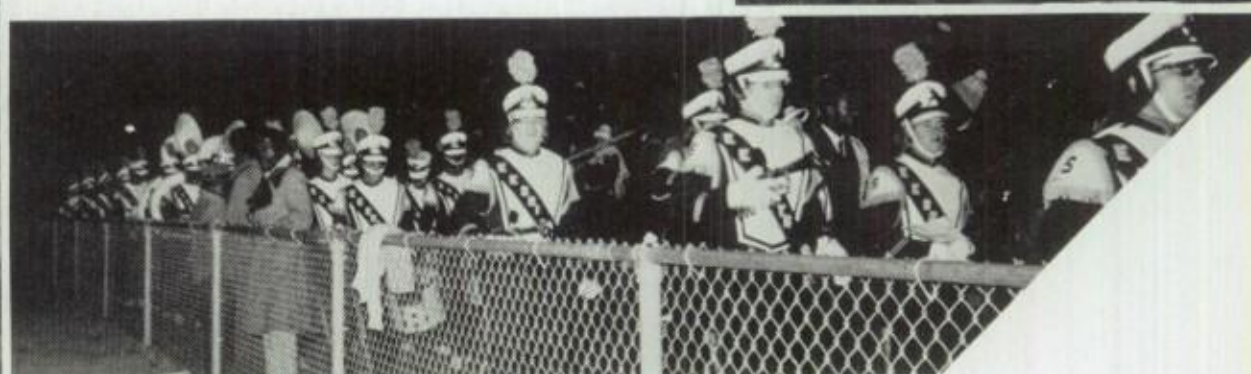

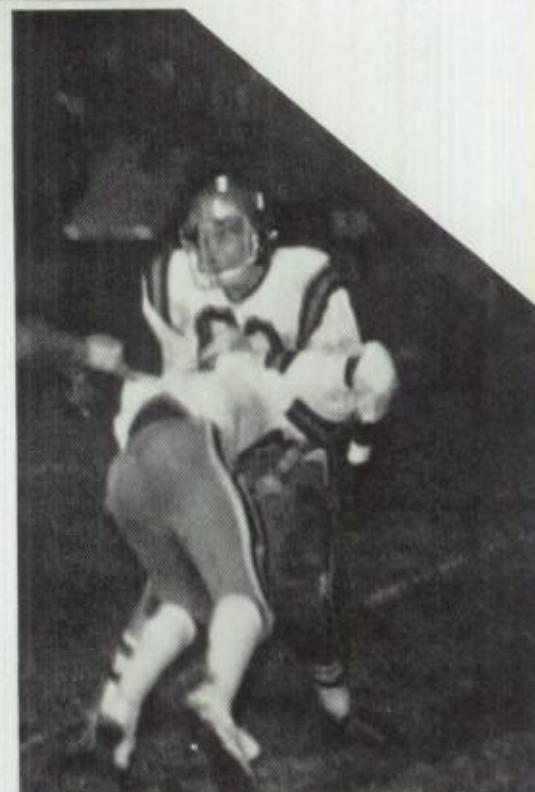

The traditionally powerful Golden Bull football team opened its 1975 football season on September 5, with an impressive 41-0 victory over the Pinecrest Patriots.

Although the score indicates otherwise, defense was the Bulls strong point. The offense sputtered early in the game but came into its own in the second half to give the Pats a large dose of 4-A competition.

Bulls Turn Back Trojans

A stubborn Pine Forest defense, along with numerous execution errors on behalf of the Bulls, held our highly explosive offense scoreless through two and a half quarters. Two rushing scores and an extra point gave the Golden Bulls a 13-0 win in their first conference game.

E. E. Smith Left Staring

After the Bulls jumped to a quick 7-0 lead, the game just as quickly became an uphill struggle following a controversial touchdown by the Falcon quarterback. Then a Bull mishap led to Seventy-First's halftime lead of 13-7. The second half remained fruitless for the Bulls as the Falcons went on to win, 20-7.

Tigers "See the Light"

E. E. Smith took advantage of numerous Tiger mistakes and tenacious defensive play to post a 30-16 victory over the visiting Southview team. A pre-game power failure "turned on" the Golden Bulls, who quickly "turned off" the Tiger attack and raised their conference record to 2-1.

Smith Spoils Homecoming

Cape Fear, who traditionally plays a strong ballgame before its homecoming crowd, performed well again this year but in the last two minutes fell at the hands of a bold Golden Bull comeback.

The Colts played a forceful first half but, unknowingly, set the stage for an exciting second half recovery by the Bulls. A late touchdown carried the Smith team to a 14-9 win on a chilly night in the outback.

Passing Attack Unleashed

The display of Smith's passing ability shown in the Scotland game had been long awaited by the Smith fans. The Bulls' two quarterbacks bombarded the Scot's defensive secondary for 338 passing yards. This powerful exhibition, accompanied by a strong running and defensive game, led the Bulls to a 34-6 rout in non-conference play.

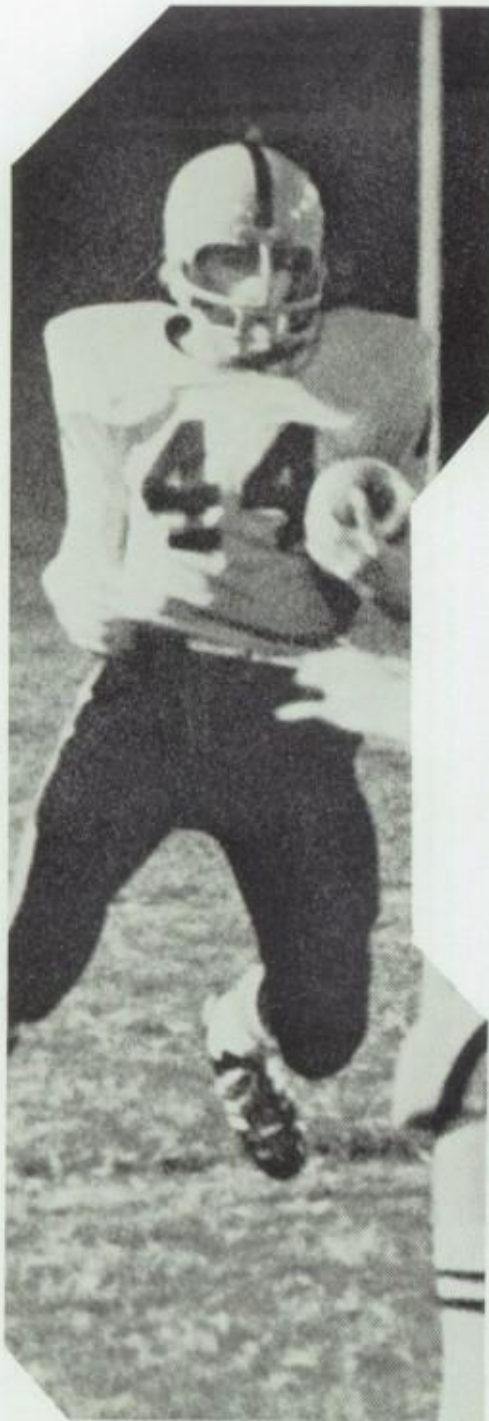

Bulls Fail to Cash In

The Golden Bulls traveled to John T. Hoggard in Wilmington, striving to keep their playoff hopes intact. Opportunities for victory were presented, but a strong showing on the part of our Bulls, and even E. E. Smith tradition were no help in taking advantage of them. Smith dropped its second conference game, 24-14.

Charging Bulls Gore Pups

E. E. Smith disposed of memories of close games with Terry Sanford by outclassing the Bulldogs, 45-16. The Bulls leaped to a quick 16-0 lead and were in control at halftime, 25-16. Terry Sanford never posed a serious threat after the intermission. The Bulls unleashed a dynamic passing attack, complimented by a balanced running game to add twenty points in the final half. This was the Bulldogs' most devastating defeat at the hands of the Golden Bulls.

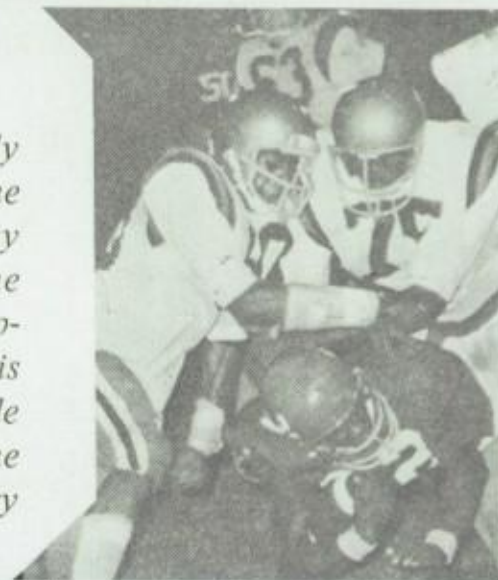

Homecoming Dimmed by Ross

Reid Ross kept its playoff hopes alive while dampening Golden Bull homecoming spirit as they defeated the Bulls, 37-25. The Golden Bulls led at the half, 18-8, and increased the score to 25-8 in the third quarter. The Cougars began working both on the ground and through the air as they added 29 points in the last one and a half periods. This defeat destroyed the Bulls' final hopes of going to the playoffs.

Finale A Thriller

The Bulls expected to finish their 1975 football season with a relatively easy win over Douglas Byrd but found the going surprisingly tough. The Eagles proved to be no pushover as they held an 8-7 halftime lead. They increased the score to 15-8 with a little over two minutes left in the ballgame. Smith received the ensuing kickoff and marched downfield, capping the drive with a halfback pass from Richard Bradley to Lee Jukes. This made the score 15-13 in favor of the Eagles. Our defense held after an onside kick and set the stage for Kenny Pugh's 25 yard scramble into the end zone with two seconds left in the game. Our season closed with this 20-15 victory over the Eagles.

DWANE ANDERSON BURNS**

IF

*If you can take the knowledge you have gathered
Through years of study, work, and school
And turn it into living acts of kindness
Through a life that keeps the golden rule*

*If you can give a little more than other fellows
And keep on trying though you're tired
Yet, make not public all your efforts
Nor hold them of account to be admired*

*If you can keep on working toward the future
Holding fast to all your secret goals
Though time and circumstance may slow you
And even strew your path with burning coals*

*If you, to win a war, must lose a battle
Then lose it, but let no one see you cry
Let sympathy be saved for those who need it
Not for those who have the will to try!*

*If you can keep your trust in all things holy
Remembering, too, that high above
The Power which made man still directs him
With infinite patience and with everlasting love*

*If you can dream and plan and struggle
And keep on when lesser men give in —
You will have learned the noble art of manhood
And what's more, my Son, you're bound to win!*

*Good morning yesterday,
You wake up and time has slipped away,
And suddenly it's hard to find
The memories you left behind,
Remember.*

*Do you remember the laughter and the tears,
The shadows of misty yesteryears?
The good times and the bad you've seen
And all the others in between,
Remember.
Do you remember the times of your life?*

*Reach back for the joy and the sorrow,
Put them away in your mind,
For mem'ries are time that you borrow
To spend when you get to tomorrow.*

*Here comes the setting sun,
The seasons are passing one by one
So gather moments while you may,
Collect the dreams you dream today,
Remember.*

*Will you
remember
the times
of your life?*

"Times of Your Life"
Words by Bill Lane/Music by Roger Nichols

*You have spoken walls; you have told us your story.
You've shown us achievement and minimized our strife.
Your guidance has led to success without worry
And the lesson you've taught us is how to live life!!*

To me, imagining these buildings anyway other than they have been for the past two years, is a hollow, echoing thought.

To have been fortunate enough to have lived two memorable years with each person associated with this institution is the fulfillment of my personal aspiration of life: My personal satisfaction of growing with people.

I sincerely hope that this collage of ourselves, the inhabitants of these memory filled halls of E. E. Smith, has depicted the realisms, fantasies, achievements, dreams, and recollections that each individual reading this will carry with him throughout life.

If a single page or picture can find a home in your heart and create a longing for days gone by, then the entire annual staff joins me in the pleasure I take in being able to touch another human being.

*Mike Morketter
Co-Editor*

Working with the publication that depicts the memories of this year, has been a prime highlight of my senior year. The 1976 school term has been most profitable and very rewarding.

During the course of this year, I along with my fellow classmates, have grown to understand and enjoy the meaning of my education at E. E. Smith Senior High School. Both the faculty and administrative staff have impressed upon us the meaning of success in life with a background in education.

This year has been a very exciting one. It's been a year that I'll never forget. The halls of E. E. Smith shall be cherished forever. I'll look back on this year for years to come and remember it as being the end of my beginning.

For this year being such a rewarding one, I along with the yearbook staff have gathered the memories of 1976 and worked very diligently in publishing a document we hope shall long be remembered. It's been nice!!!!

*Julia C. McKinney
Co-Editor*
